Home Boarding / Day-care Booking Form

Welcome to Borders Boarding. We are delighted you are considering us for your dog's next home boarding.

We want your dog to have the perfect stay with us and feel as comfortable as possible during his/her stay, so before we book you in, we will need to run some pre-stay questions and collect certain information about you dog/s prior to our first meeting. Some of the information we need to make your dog comfortable and get to know them better, some of it we are required to obtain under law.

Please have a read through at your leisure and return this form to us as soon as possible. Once we get the completed document back along with copies of your dog's current vaccination records, and we have checked through the details, the next step will then be to arrange a trial day and to meet your dog, that way we can judge if they are going to like it here, and of course get on with us. If they do, hey presto, we can get you booked in and then for all future stays it will just be a case of requesting the dates you need. The day care will be charged at £25 and usually be between 10am and 4pm.

If you have any questions, I will be very happy to chat them through we you either by email on bordersboarding@gmail.com or call or text on 07562 685787.

Best regards

Neil

Consent and Permissions:

Walkies – Your permission for your dog to walk off lead.

Every dog wants to walk off the lead, but it’s not without risk. We are dog lovers, and we want to do the best we can to both entertain your dog and to keep him/her safe. However, some dogs do run off. Equally if your dog is used to getting a vigorous work out and must slump around on a lead for week or two, it’s not going to be happy.

If you choose to give permission for your dog to be walked off lead, we will judge when the time is right. When we think we have built up enough of a relationship with the dog we will try it, but we are only human, and the dog is a dog. Unfortunately, we cannot be held responsible for a dog who runs away, we can only do our best, so if you wish us to allow your dog to walk off the lead, please sign below giving us permission. Alternatively, we will walk your dog on the lead off property. However, we can allow your dog to be off lead on property within the confines of the boundary walls with your permission. But, if your dog is a known escapologist, we should consider not allowing this as they could scale the walls / fences.

| | |
|--|-------|
| Permission | |
| I give my permission for Borders Canine Home Boarding to judge when it is appropriate to walk my dog without a lead. I accept that this will incur some risk and that I will not hold Borders Canine Home Boarding responsible for any loss or damages caused as a result. | |

Your Dog's Health.

In Order to board dogs in the UK, it is a legal requirement that your dog be vaccinated for:

1. Canine Distemper
2. Infectious Canine Hepatitis (Canine adenovirus)
3. Leptospirosis (L. canicola and L. icterohaemorrhagiae)
4. Canine Parvovirus and other relevant diseases.

We will need to see your UpToDate Vaccination Certificate prior to our first meeting and to receive an updated copy (paper or electronic) each year. A Titre certificate from a vet is an acceptable alternative to a booster vaccination. Primary vaccinations must be completed at least 2 weeks before the board dates and Homoeopathic vaccinations and treatments are not allowed under UK law as alternatives.

| Treatment | Name & Maker | Vaccination Or Treatment Date |

Additional Notes, Comments:

Please use this section to let us know anything further.

Next Steps:

The next step is to arrange a trial day for your dog, so we can see how he/she gets on with us and our two dogs. Hopefully all will be great, at which point we can complete the registration process and finalise the arrangements ready for the first visit.

This is a one-off process and covers off what I am legally required to check and record, plus a few housekeeping matters to keep everything in order. Once this has been completed, then it's just a matter of a date check for each stay and that's it!

The Boarding Package:

We offer the following boarding option for your dog:

The Standard Boarding with others Package £35 per night / 12midday on the arrival date until 12 midday on the day of departure. Early arrivals and late departures are available upon request and chargeable on a day rate basis, at £25 per day in addition to the nightly rate.

i.e. should you wish to drop off your dog at 8am on the day of arrival, then the first day will be charge as £25 from 8am until 12pm and then £35 for the boarding that evening. Each subsequent night's boarding is then charged at £35. Collections after midday on the day of departure will be at a rate at a flat fee of £25 from 12 midday onwards. Please provide your dog's food and treats for the duration of their stay and advise of the feeding requirements and portion sizes.

Please note, we will board your dog with us, our two dogs and one or two other dogs. Your dog may walk with other dogs and use outdoor areas with other dogs too. We can of course arrange a private walk upgrade should you wish, and we will walk all dogs together for a min of 20 mins per day. Regular toilet breaks are of course included throughout the day. We will also need you to provide your dog's dietary requirement and guide us as to feeding times and routines and sleep time may be in a room.

Additional items available alongside the packages above: Available at £10 per day

Daily WhatsApp update

Personalised Private Walk

Daily Grooming

When it's time to book, you will be asked for your preference, and that way we can check availability considering your preference.

Agreement, Payment, and Cancellation

We will send you an Invoice in advance of the stay and for bookings of 5 days or under we request full payment by return and for longer bookings, we request a deposit of 50% of the total cost to secure your place at time of booking, with the remainder due 14 days prior to the arrival date. Your place is guaranteed for 48 hours following the issuing of the invoice and may then be released if the payment or deposit hasn't been received within that timeline.

Should you need to cancel your booking, we will need to charge you a portion of the total fee depending on the timescale. The closer to the actual date, the higher the portion, because it gives us no time to re-fill your slot with another dog. Here's how it works:

- Cancellation within 14 or fewer days, of the arrival date is charged at 100%.
- Cancellation between 15 and 28 days, charged at 50%.
- Cancellation over 29 days, No charge

Should you not be able to collect your dog on the agreed date and time, (please, please give us plenty of notice and we will charge a pro rata fee and add the additional costs to a final bill. If you collect your dog before the end of your booking, no refund will be given, as there is no chance for us to fill the empty days with another dog.

** We are not able to board non-spayed females who may come into season during your holiday or are in season at the start of the board**
